HealthChoice Illinois is your way to quality Medicaid care!

What is HealthChoice Illinois?

HealthChoice Illinois is the mandatory
Medicaid managed care program. In
HealthChoice Illinois, you must choose
a health plan for your long term care or
waiver services. HealthChoice Illinois will
also cover some behavioral health services,
transportation to medical appointments
and help with coordinating
your care.

You will have a Care Team dedicated to
you for your healthcare needs. Your Care
Team will help you find providers, get
referrals, make appointments, get social
services and access behavioral health
services and other services. This helps you
stay healthy and reach your health goals.

It's important that you learn about all of
your health plan choices.

To learn more, read *Your Health Plan
Choices*, the *HealthChoice Illinois Plan
Report Card*, and *Choosing a HealthChoice
Illinois Plan* (on the back of the report
card) that came with this brochure. Or go
to our website at **EnrollHFS.illinois.gov**
and select "Compare Plans."

Care Coordination and your Care Team

With Care Coordination you have a Care
Team who can help you get the care and
services you need. Your Care Team may
include your primary care provider (PCP),
specialists, treatment services providers
and social services providers.

After you enroll in a health plan, your
plan will contact you. They will ask you
questions about your health and lifestyle
and give you information about your Care
Team. Your Care Team will:

- Work with you to make a Care Plan
that helps you meet your health goals.
- Help you make appointments and
access support services.
- Help you get prior approvals and
referrals when needed.
- Give you education on health
management.
- Find transportation for medical
appointments.
- Help you access community and social
services.
- Be your main contact for questions.

It is important for you to work directly
with your Care Team and health plan to
get the best healthcare for you. To learn
more, call your health plan's member
services number.
